

**POLITECHNIKA
OPOLSKA**

OPOLE
UNIVERSITY OF
TECHNOLOGY

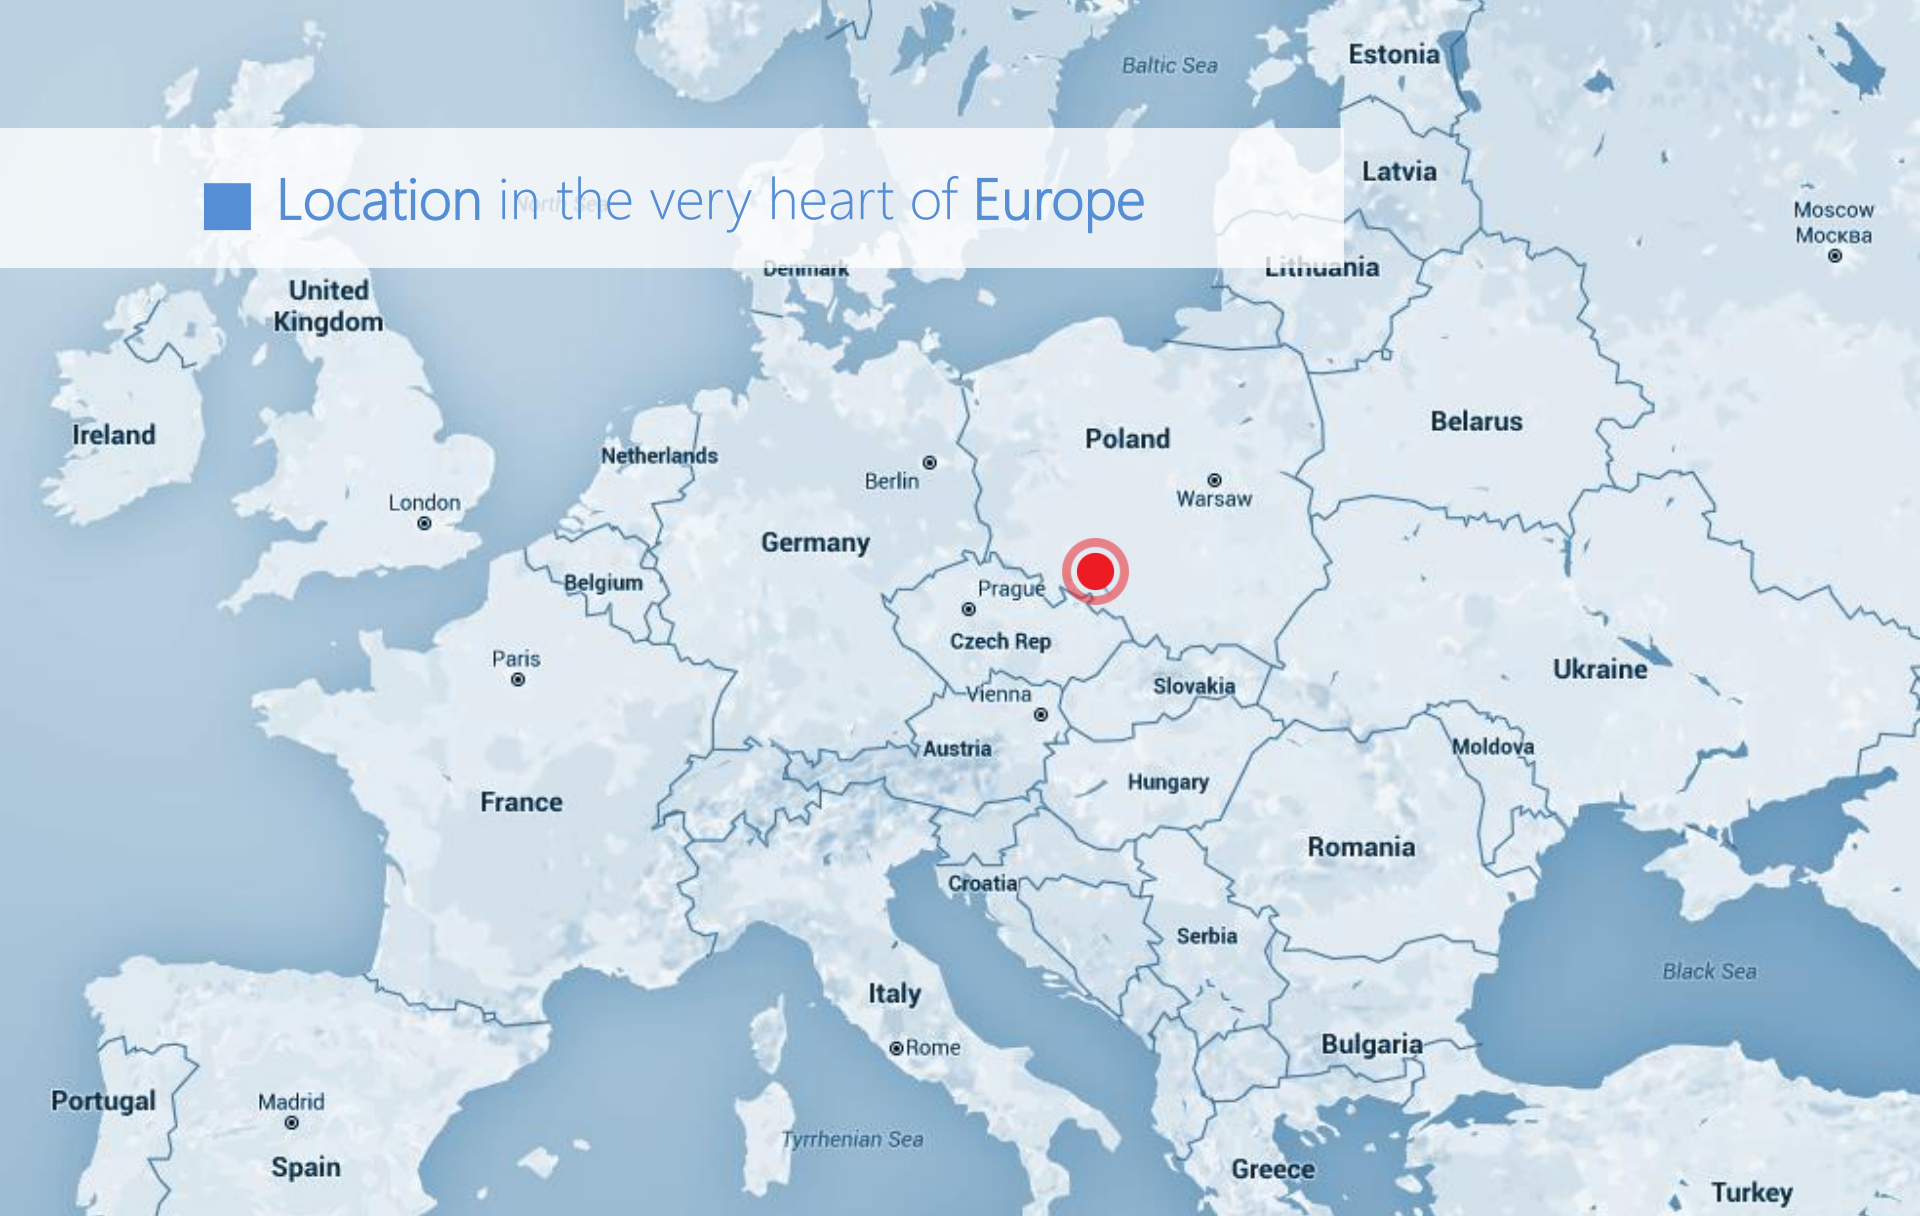

■ Opole University of Technology

A modern, dynamic, student & research focused university. 50 years of academic tradition. Our university offers studies in interesting, stimulating and inspiring international environment.

■ Location in the very heart of Europe

■ City of Opole

A beautiful, modern, middle-sized European city with the population of 130,000 including over 35 000 students.

■ Our Students

We educate almost 8 000 students including over 400 international learners per year. Once enrolled our students become members of the multicultural community.

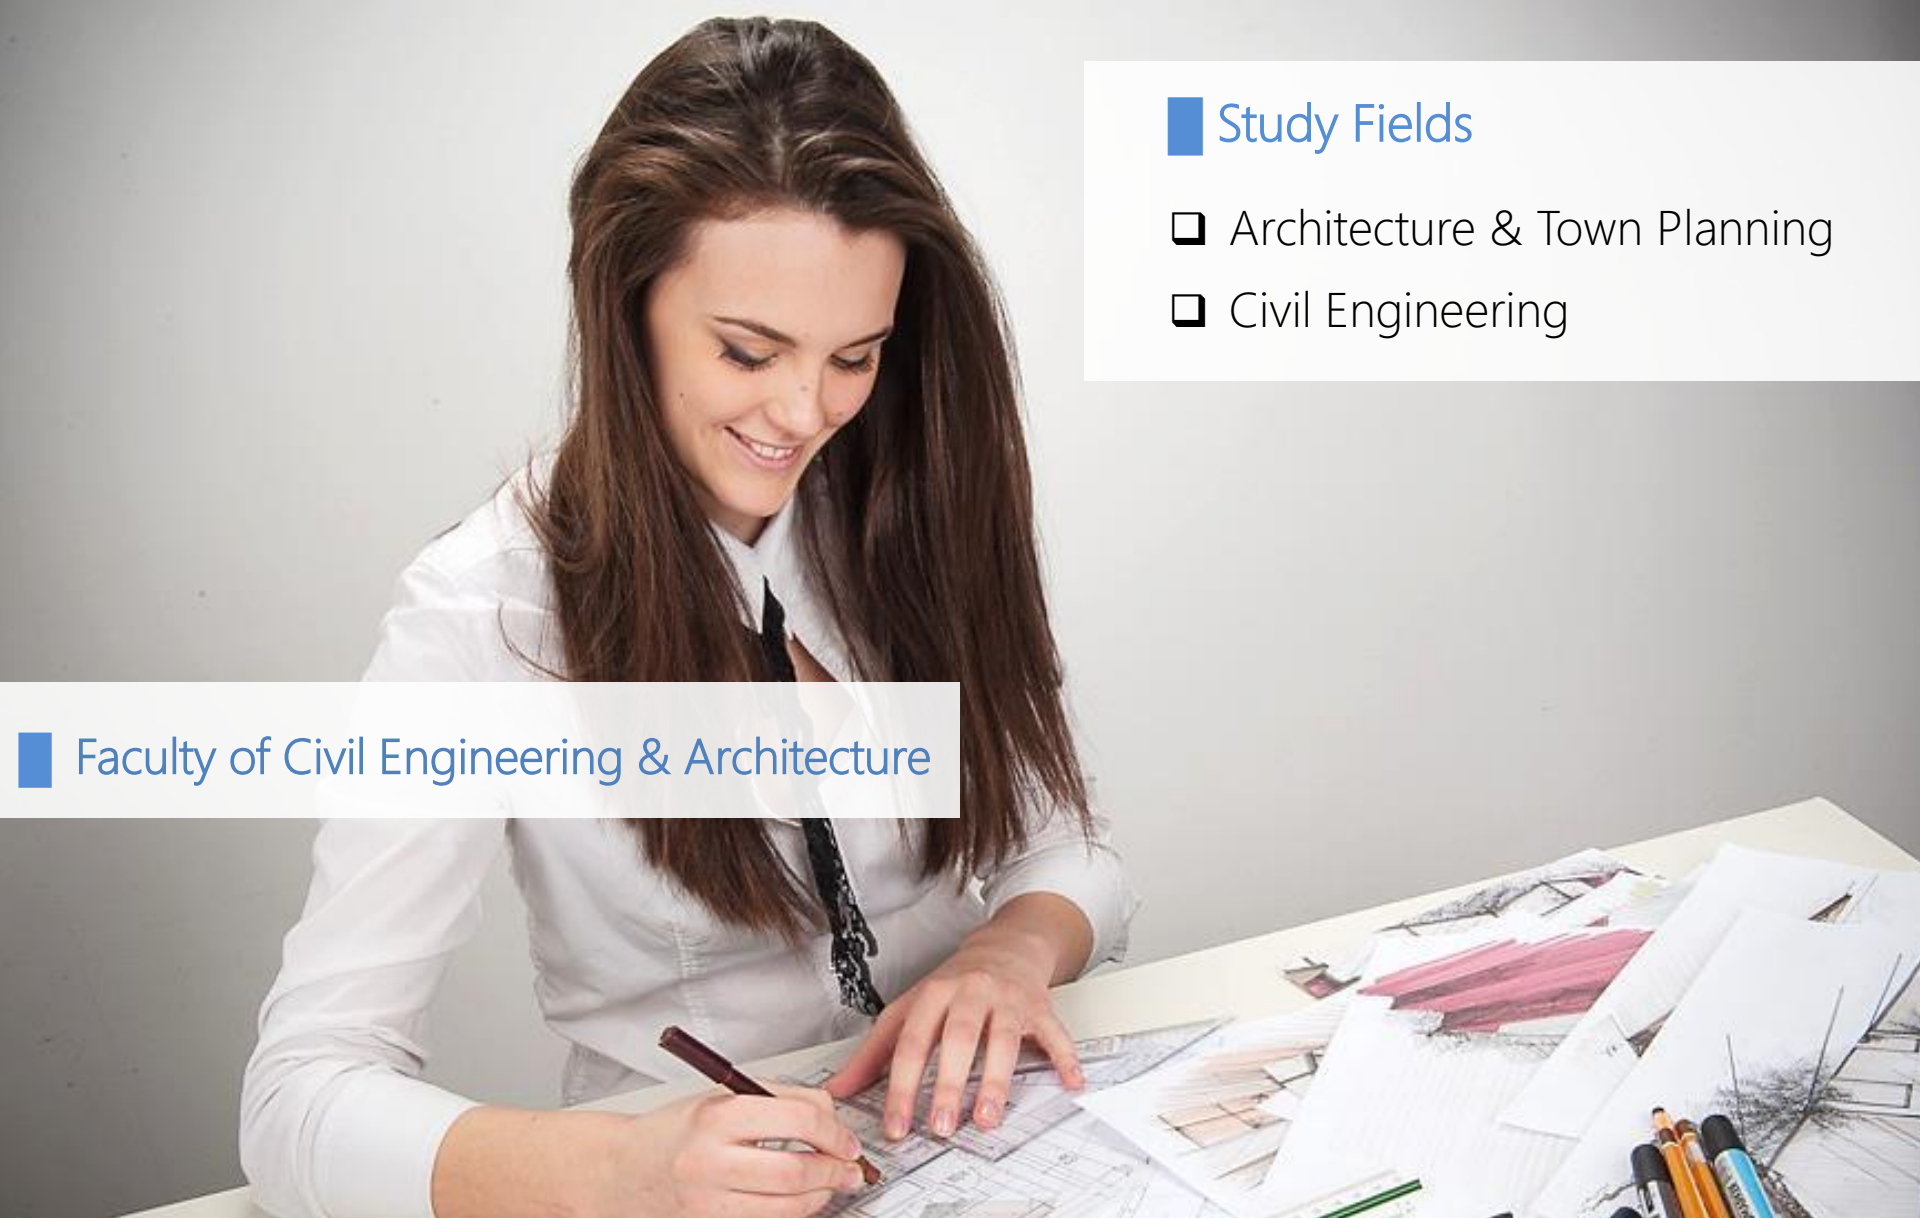

■ University Personnel

We have over 900 staff including 540 high-class academic teachers, over 140 professors and 20 foreign scholars.

■ University Structure

- ❑ Faculty of Civil Engineering & Architecture
- ❑ Faculty of Economics & Management
- ❑ Faculty of Electrical Engineering, Automatic Control & Informatics
- ❑ Faculty of Mechanical Engineering
- ❑ Faculty of Production Engineering & Logistics
- ❑ Faculty of Physical Education & Physiotherapy
- ❑ Faculty of Technical Systems Engineering

■ Study Fields

- ❑ Architecture & Town Planning
- ❑ Civil Engineering

■ Faculty of Civil Engineering & Architecture

■ Study Fields

- ❑ Automatic Control & Robotics
- ❑ Biomedical Engineering
- ❑ Electrical Engineering
- ❑ Industrial Electronics
- ❑ Informatics
- ❑ Power Engineering
- ❑ Renewable Energy Technologies

■ Faculty of Electrical Engineering, Automatic Control & Informatics

■ Study Fields

- ❑ Environmental Engineering
- ❑ Industrial Processes Engineering & Equipment
- ❑ Mechanical Engineering & Machine Building
- ❑ Mechatronics
- ❑ Power Engineering
- ❑ Transport

■ Study Fields

- ❑ Food Technology & Human Nutrition
- ❑ Logistics
- ❑ Safety Engineering
- ❑ Production Engineering & Management

■ Faculty of Production Engineering & Logistics

■ Study Fields

- ☐ Administration
- ☐ Economics
- ☐ Management
- ☐ International Business Relations

Study Fields

- ☐ Physical Education
- ☐ Tourism & Recreation
- ☐ Physiotherapy

■ Faculty of Technical Systems Engineering

■ Study Fields

- ❑ Biotechnical Systems
- ❑ Industrial IT technologies

■ Master Degree Program in English

Advanced Technologies in Environmental Engineering ATEE

Protection | Sustainable Development | Innovative Technologies

■ Science and Research

Modern civil, seismic and wind engineering

Advanced computer and telecommunication technologies

Specialized electronic technologies

Specialized analysis of various materials used in industry

Innovative methods for management and logistics

Vehicles and machines design, usage of renewable energies

Enhancement of rehabilitation methods & analysis for sport using biomechanics, biochemistry and genetics

MASSIVE ACADEMIC ANALYSIS

WE BUILD ACADEMIC RELATIONS WORLDWIDE.

■ International Cooperation

- Over 100 European partner universities in frame of the Erasmus+ program
- International partnerships and collaboration with universities around the World including our key partners:
 - ✓ Chemnitz University of Technology, Germany
 - ✓ Illinois State University, US
 - ✓ Beijing University of Technology & Chongqing Jiaotong University, China
 - ✓ Indian School of Mines, India

International Networking

WE SUCCESSFULLY EXPAND INTERNATIONAL
COOPERATION OF POLISH UNIVERSITIES

University Rector, Prof. Marek TUKIENDORF
holds a position of **President of Council for
International Cooperation at CRASP**.

We hosted 1st **Polish-Portuguese Academic
Forum** and **Polish-Portuguese Research
& Industry Energy Summit**.

We are a strategic member of international
consortium **PROGRES 3** that fosters cross-
border cooperation and facilitate joint
education and research projects in Czech
Republic, Poland and Slovakia.

■ Cooperation with United States

We have an intense collaboration with U.S., based on great relations with American diplomatic mission in Poland and a long-term liaison with Illinois State University.

A photograph of two young women sitting at a desk in a classroom, focused on a task. The woman on the left has long blonde hair and is wearing a yellow hoodie. The woman on the right has dark hair tied up and is wearing a red t-shirt with a cardinal logo and a black headband. They are both looking down at a small object on the desk. The background shows rows of empty wooden chairs in a lecture hall.

■ International Summer Schools

Our students participate is the [U.S. - Polish Physiotherapy, Tourism & Sport Summer School](#).

■ IEEE - Institute of Electrical and Electronics Engineers

IEEE Opole Division helps our students to expand their interests in electrical engineering and computer science. IEEE is the worlds largest professional association dedicated to advancing technological innovation and excellence for the benefit of humanity.

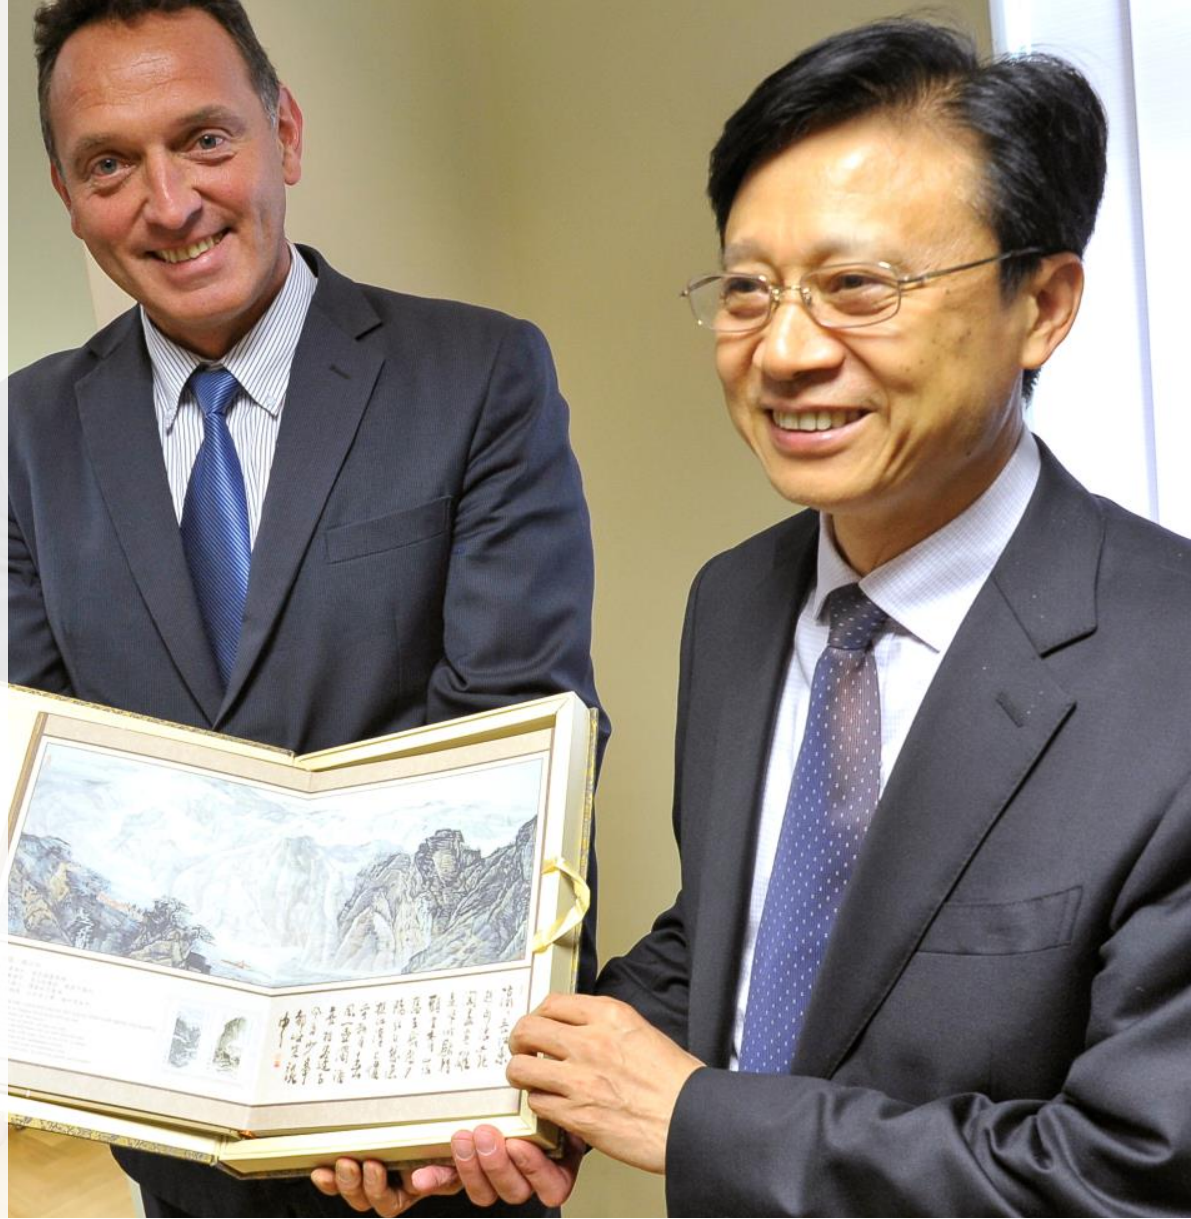

■ Cooperation with China

One Belt One Road Project

We are the only university in Central Europe to sign the collaborative agreement with Chongqing Jiaotong University.

The **One Road One Belt Agreement** is a part of a huge transcontinental program called 'The New Silk Road'.

■ Opole Confucius Institute - Centre for Cooperation Poland- China

We broaden academic, cultural and economic bonds between Poland and China. The institute spreads knowledge about China through lectures, seminars, artistic events and Chinese language courses. It is one of the most active Hanban Institutes in Europe.

■ Cooperation with India

We offer a postgraduate study program on Holistic Health Management.

We are involved in Yoga & Ayurveda Scientific Research

■ International Events

We organize numerous international workshops and symposiums including **International Academic Week** – a scientific and networking event composed of several international conferences and provides great opportunities to develop synergies.

A photograph of two men in a workshop or laboratory setting. The man on the left is Black, bald, and has a beard, gesturing with his hand while speaking. The man on the right is white with dark hair and a beard, smiling and listening. They are in front of a white perforated metal wall. A semi-transparent text box is overlaid on the bottom left of the image.

■ Erasmus+ Program

Each year more than **100** students of our university participate in the Erasmus+ program (exchange & work placement abroad) while 10 percent of our academics take part in training and teaching mobility. We offer over **300** courses in English.

■ Students Life

OUR STUDENTS STUDY,
DISCOVER, CREATE & HAVE FUN.

They form and join in student research clubs. They participate in welcoming weeks, networking events, international conferences and workshops as well as the [student festival](#). They have a great chance to flourish and take full advantage of the opportunity to learn the European markets and cultures.

■ Student Research

Our students do **real science** – they discover and invent projects such as the international recognized **MouseBox** (currently seeking investors in China), the European Rover Challenge' s laureate - **Chameleon Vehicle** or the **Solar Bike**.

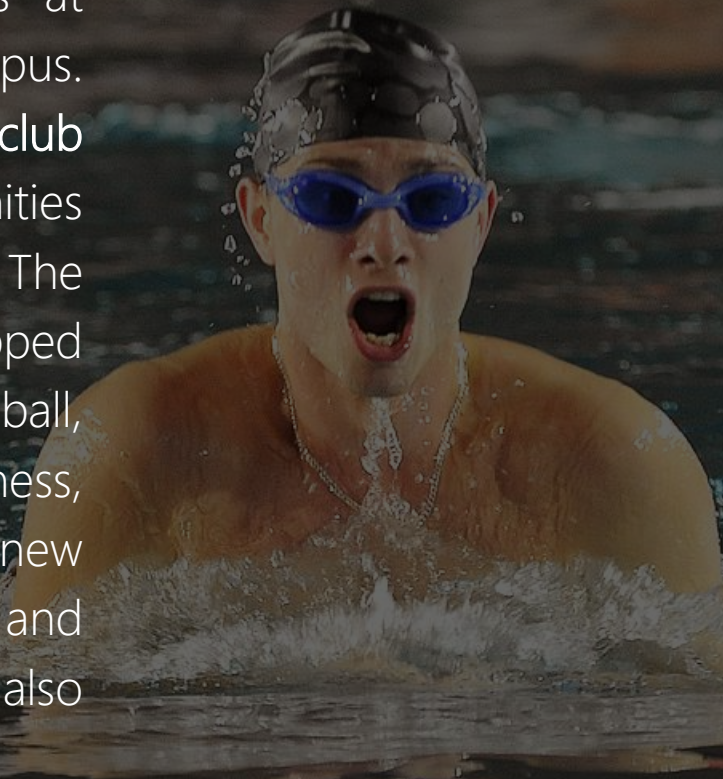

■ TEDx Events

■ University Choir

■ Sport

Modern sport facilities are available to the students at our 2nd university campus. Our university sport club provides further opportunities for a range of sports. The facilities are directly equipped for basketball, handball, volleyball, athletics, fitness, aerobics etc. The brand-new municipal swimming pool and ice-skating rink are also available.

■ Students Festival

A large crowd of young people, mostly women, are gathered in a city square. Many are wearing red and black plaid shirts and red headbands. Several women have their arms raised in the air, some holding red fabric flowers. In the background, there are historic European-style buildings with colorful facades and a church with a tall spire. The overall atmosphere is festive and energetic.

Students Festival

■ Students Helping Students!

ESN PO - our local section of the non-profit Erasmus Student Network international organization.

International Cooking Day

■ University Residence Halls

■ We do lifelong learning - *Children University*

■ We do lifelong learning - *Academy of Young Hearts*

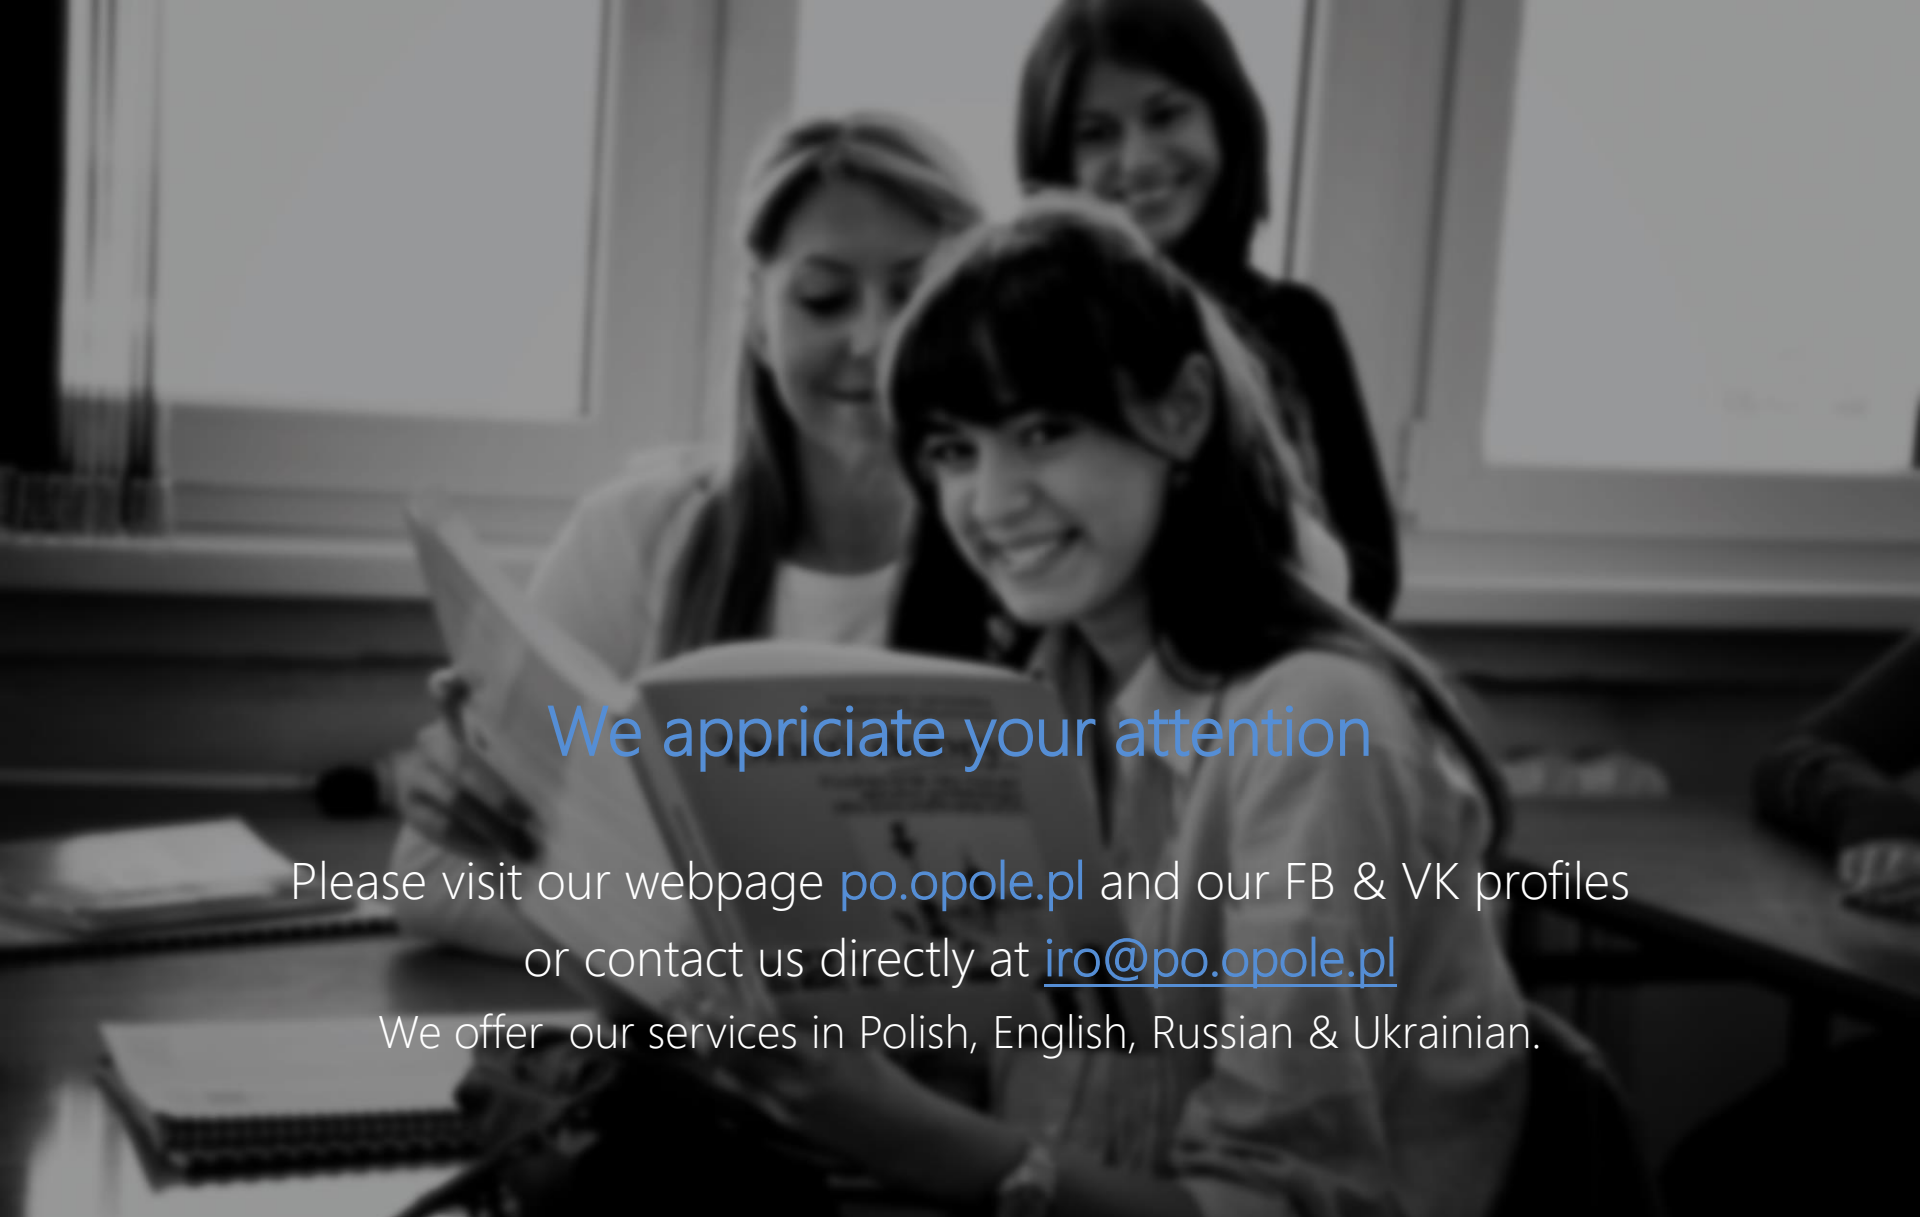

For international candidates we offer **Polish Language Summer Course**

LETNI KURS
JĘZYKA POLSKIEGO

We kindly welcome students, lectures and scholars and representative of business & industry to join us in the pursuit of academic excellence and scientific development for a better world.

We appreciate your attention

Please visit our webpage po.opole.pl and our FB & VK profiles
or contact us directly at iro@po.opole.pl

We offer our services in Polish, English, Russian & Ukrainian.
