

**Invitation Letter to**  
**2022 Standardization Olympiad for University Students**  
**March 31, 2022**

Dear Members of B&R University Alliance for Standardization Education and Academics,

In order to further promote innovation and practical ability of university students, improve the quality of student cultivation, popularize knowledge of standards, and increase people's awareness of standardization, we sincerely invite you to participate in the "2022 Standardization Olympiad for University Students", which is jointly organized by the China Association for Standardization and China Jiliang University.

The arrangement for the competition is as follows:

### **I . Competition Theme**

Seven recommended themes:

- Standardization of carbon peak and neutrality;
- Standardization of smart city;
- Standardization of green campus;
- Standardization of public services;
- Popular science and standardization;
- Digital standardization;
- Standardization of sustainable development.

Other themes are optional.

### **II . Competition Form and Evaluation Criteria**

The competition focuses on the evaluation of the ability to develop standards. Contestants should submit their document, research report or application scenario of the standards (Requirements: less than 15 minutes, 720P, above of resolution, MP4 format, clear and stable image and clear voice).

### **III . Awards**

Several special prizes, first prizes, second prizes and third prizes will be selected according to the scores of the final round.

The organizing committee will select outstanding works from the finalists and publicize them through various channels.

### **IV . Participation and Time**

Contestants should be in a team of 4-6 people to participate in the competition. They should send their works (The file name should be: university name + name of works) to the mailbox

[standard-cup@163.com](mailto:standard-cup@163.com) before July 10, 2022.
